COMMUNITY INVOLVEMENT

Big Brothers Big Sisters Mentor,
2015-Present

EXPERIENCE

Web Developer Intern, Deep Dive Coding Bootcamp • 2018
ABQ Street Art, capstone project, an interactive web application that allows users to search and locate murals, sculptures, and other public art in Albuquerque.

ABQ Street Art's database was developed with MySQL, the front end UX and UI were created using a combination of HTML5, CSS3, Bootstrap, JavaScript, and jQuery. The backend was built using PHP7. Functionality was added to the project with the AngularJS framework. Geolocation capabilities were integrated using the Google Maps API.

Graphic Designer, Freelance • June 2014 - Present
Designs brand identities, book covers, portfolio websites, advertisements, and social media graphics for creative entrepreneurs and small businesses. Creates clean, streamlined designs that help individuals and organizations curate their brand's unique voice and achieve growth.

Educational Program Coordinator, UNM • Sept 2015 - Dec 2017
Designed layouts for six educational nursing modules that are hosted online as interactive PDFs. Proofread over 130 pages of copy to ensure accuracy. Fixed broken hyperlinks. Communicated virtually with client and content writer through multiple revisions.

Created posters and informational flyers for conferences.

Digital Marketer, @Pay • Sept 2014 - Feb 2015
Revised and updated digital and print advertisements for trade show publications.

Collaborated with sales team to create one-page informational flyers and demonstrations to address customer questions.

Publication Staff, Scribendi • Aug 2013 - May 2014
Copyedited 80 short stories, creative essays, and poems for publication in a yearly undergraduate literature and arts journal at the University of New Mexico.

Made executive typography and layout decisions. Worked among a team of twelve to compile and edit all photography, art, and literature into a 120 page printed publication.
